Instructions:

1. Select two people in your family and figure out which ancestor they have in common.
2. Look at the top row of the chart (in blue) and find the first person's relationship to the common ancestor.
3. Look at the far left column of the chart (in blue) and find the second person's relationship to the common ancestor.
4. Move across the row and down the column and find where they intersect. This box is the relationship between these two individuals
